All students participate in our annual recital to be held at
Republic Bank Arts Center / Washington Township High School.

ABOUT OUR RECITAL

The recital offers our students a professionally directed performance that allows them to present to their families and friends the results of a year's hard work, dedication, and progress. Preschool students perform one time in the annual recital. All other students perform one time in each of the styles of dance they are registered for.

BENEFITS OF RECITAL

A big part of dance training includes learning through performance. Although performance opportunities can help prepare some students for a possible career in dance, they also contribute to children's success in non-dance activities. The experience helps build self-esteem and confidence, which can result in better in-school presentations, improved social skills, and strong college and job interview skills. The rehearsal process is a tremendous learning experience as well. It helps the children develop retention skills, and by working with their classmates on a group performance, they learn the positive aspects of working as a team to create the best end result.
